**The Arkansas FASD Conference is going virtual!**

In place of a conventional in-person conference, Arkansas None for Nine is hosting a series of mini-lectures covering seven topics. This event will bring together parents, prevention advocates, key stakeholders, and healthcare professionals from around the state for an exciting opportunity of learning and networking. Each mini-lecture is 1 hour with time dedicated for questions and answers from those participating. This structure will give participants a chance to ask specific questions about each topic. Participants also have the option of only attending the session(s) of interest. Please join us for one session, some sessions, or all sessions!

Let's make this conference a conversation!

**AGENDA**

9:00–10:00 a.m.	Sensory Processing
10:00–11:00 a.m.	Parenting a Child with a FASD
11:00–12:00 p.m.	Transitioning into Adulthood
